Dear Sir

Your favor of

fully directed. This is in
fact the down town office of
the Museum.

I thank you much for the
information as to your
experience as regards the demand
for Photographs.

We shall, I hope, soon
arrange to publish figures

in the Corcoran Collection, - especially
if any bearing inscriptions, which

There is a demand from Europe
for such Photographs.

I am obliged by your giving
me the list of prices, - some
negotiation was made and another
time I may trouble you with
an order, remitting the cost.

The stereoscopic views promised
will be interesting to us.

Pray command my services
at any time.

Yours very truly
